

"My Garden" *Flower Fundraiser*

"My Garden" is a great spring plant fundraiser. We are raising funds to go toward the purchase of another bus. "My Garden" focuses on the popular flower pot gardening that targets the most popular garden themes. Perfect for patios and porches or just planted in your garden.

Everyone has a pot, or a spot to fill....and we can help them fill it!

"My Garden" is an assortment of plant kits designed for 14-16" pots or in ground beds. The plants are delivered in fun, easy to handle carry packs of six 4" pots each that were professionally designed with a planting scheme. Planting is simple, just match the color coded pots to the attached planting map – you don't need a green thumb to do it.

"My Garden" is selling for \$23.

Our profit is \$8 on each garden.

Attached is the order form with the garden choices.

Bring your orders and money (checks payable to Bethany Academy) to your homeroom teacher or elementary classroom teacher.

REMEMBER THESE DATES:
