

Living THE *Legacy*

**Training, Inspiring, Educating
Tomorrow's Godly Leaders**

Bethany Academy

Before there was a single desk, chair, or locker, there was a dream of educating children through a biblical worldview to become godly leaders and thus impacting the world for Christ. Without vision, obedience, and faith Bethany Academy would not exist today.

Bethany Academy is a testament to God's faithfulness and the sacrificial obedience of our founding families. Every child who sits in a Bethany Academy classroom does so because of the sacrifice and obedience of those who came before us.

Through the *Living the Legacy* campaign we now have an opportunity to establish a strong future for Bethany Academy, to build a legacy for tomorrow with the strengths of today. Please join us at one of the following awareness events and learn about how God has lead the leadership of this school to prepare for the future.

Your participation is vitally important!!

According to the grace of God which was given to me, like a wise master builder I laid a foundation and another is building on it.
