

Dear Parents,

I want to make you aware of the Abstinence topic of our upcoming Secondary Chapel on Wednesday, February 1, 2012. Tyler and Sarah, who are with The Abstinence Resource Center, will be speaking to the students. The speakers are aware that the audience is made up of 7<sup>th</sup> Grade students – 12<sup>th</sup> Grade students. This same organization comes each year to present a unit to the 9<sup>th</sup> Grade Health class so they are not new to Bethany Academy. As always, you are very welcomed to join us for chapel.
