GOODSEARCH.COM

We all have a cause we care about - but what we don't all have is the time or money to support these efforts as much as we'd like. So, what if we could raise money for our favorite school by doing something we do every day — search the Internet? GoodSearch is a search engine which donates 50-percent of its revenue to the charities and schools designated by its users. It's a simple and compelling concept. You use GoodSearch exactly as you would any other search engine. Because it's powered by Yahoo, you get proven search results. The money GoodSearch donates to your school comes from its advertisers — the users and the organizations do not spend a dime.

All you have to do is go to GoodSearch.com and enter Bethany Academy as your designated charity (you'll find the box just below the search box). Save GoodSearch in your favorites or as your homepage and use instead of Google or Yahoo or whatever search engine you currently use. Once you've selected Bethany Academy as your charity of choice it will be selected the next time you use GoodSearch. Click on the image at the right to get started.

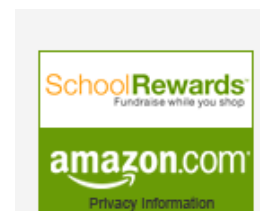

GOODSHOP.COM

In 2007, GoodSearch was expanded to include GoodShop, an online shopping mall of world-class merchants like Macy's, Apple, Nike, eBay, the Gap, Target and more which are dedicated to helping fund worthy causes across the country. Each purchase made via the GoodShop mall results in a donation to the user's designated charity or school — averaging approximately 3% of the sale, but going up to 20% or even more. AMAZON.COM

The Amazon.com affiliates program is a great opportunity to shop at a well-known online retailer while donating a portion of the proceeds to Bethany Academy. When you follow the link to Amazon from the Academy's website or Edline, eligible purchases that you make will result in a percentage of the sale being donated to the Academy.
